SULEYMAN DEMIREL UNIVERSITY
CIVIL AVIATION COLLEGE
UNIT QUALITY COMMITTEE MINUTES

MEETING DATE: 03.11.2021

AGENDA :

ITEM 1 - Planning for disadvantaged groups.
2. Evaluation of activities in line with internationalization policies.

DECISIONS 1- **:**

Planning for disadvantaged groups.

To facilitate access for disabled individuals, who are among the disadvantaged groups, it was decided to activate the disabled access elevator in the college building. It was also decided that foreign students would be monitored by their advisors to help them overcome the challenges they face. Furthermore, it was decided to establish coordination with the local government to find solutions to the difficulties encountered by disabled and foreign students residing in our district.

2. Evaluation of the decisions of the Aviation Management Department Advisory Board.

It was decided to increase the quota for international students in the Aviation Management department, which conducts educational activities. It was also decided to prepare KA107 project proposals within the scope of Erasmus+ projects. In addition, it was decided to establish new agreements with foreign higher education institutions for Erasmus+ exchange programs, under the leadership of the department coordinators.
