TITLE
CIVIL AVIATION COLLEGE QUALITY COMMISSION MEETING

AGENDA ITEMS	
1.	Preparation of the 2026 Cross-Peer Review Program
2.	Evaluation of Surveys in the Event Management System
3.	General Assessments

SCOPE
Following the meeting of the Academic Board with the members of our college's Quality Commission A meeting was held on October 12, 2026, with the participation of all our faculty members. The preparations for the 2026 Cross-Peer Review process were evaluated at the meeting. Information regarding the activities of our college was received from our departments and all faculty members. Our departments were requested to monitor and update their websites during this process, and information was provided regarding the letter sent to the departments requesting the creation and submission of the Event Request Form to the Directorate for planned events. Furthermore, the meeting also addressed the issue of addressing the deficiencies noted in the previous Cross-Peer Review Form, which had been sent to our departments in writing. It has been decided that our commission will hold another meeting sometime next week.
