UNIT QUALITY ACTIVITIES MEETING

MEETING DATE: 27.04.2022

AGENDA 1 :

- Opening Speech.

Our College Director, Dr. Ahmet SONGUR, began his speech by stating that the meeting was convened to receive information about the SHY 147 recognized school programs of our College's Aircraft Fuselage Engine Maintenance Department and Aviation Electrical and Electronics Department, and to evaluate the work of these departments.

Decision-1: In order for our College's Aviation Electrical and Electronics Department and Aircraft Fuselage-Engine Maintenance Department to gain recognized school status pursuant to the General Directorate of Civil Aviation UED-2015/3 circular, it is necessary to prepare publications related to the modules specified in SHT-66 Annex-1.C, and within this scope,

Department of Aviation Electrical and Electronics;

By Dr. Sevil ÇULHA ÜNAL, Assistant Professor;

- ÿ Module-1 Mathematics textbook, December 15, 2022
- ÿ Module 2 Physics textbook, April 15, 2023

By Lecturer Levent YAVAÿ;

- ÿ Module 3 Electrical Fundamentals textbook, December 15, 2022
- ÿ Module 4 Fundamentals of Electronics textbook, April 15, 2023

By Dr. Bora ÖÇAL, Assistant Professor;

- ÿ Module-5 Digital Techniques/Electronic Device Systems book, December 15, 2022

Aircraft Fuselage and Engine Maintenance Department;

By Dr. Kadir KIRAN, Assistant Professor;

- ÿ Module-6 Materials and Equipment book, December 15, 2022

By Dr. Salim KURNAZ, Assistant Professor;

- ÿ Module-7 Maintenance Practices book, April 15, 2023
- ÿ Module 9 Human Factors book, December 15, 2022
- ÿ Module-10 Aviation Legislation book, December 15, 2022

By Assoc. Prof. Dr. Yasin ÿÖHRET;

- ÿ Module 8 of the Basic Aerodynamics textbook, December 15, 2022

It was decided that the materials should be prepared and submitted to the College Directorate by [date].
